

Tko dobije izbore, zateći će ogromne probleme. Procjenjujem da će izdržati najviše dvije godine, a onda će se morati pristupiti Vladi nacionalnog jedinstva i premijeru izvan stranačke politike. Taj bi mogao biti Željko Rohatinski

FROM THE FIELD *Spotted hyacinths* (*Scilla maritima*) are small, bulbous plants that grow in coastal areas. They are often found in large numbers, forming dense clumps. The flowers are small and bell-shaped, with a distinctive spotted pattern. They are typically found in coastal areas, often in sandy soil. The plants are small and have a bulbous base. The leaves are narrow and pointed. The flowers are small and bell-shaped, with a distinctive spotted pattern. They are typically found in coastal areas, often in sandy soil.

komunikacijske strategije in uspehi. Vse to je razloženo v knjigi. In tudi tukaj, čeprav je avtor, kot smo že omenili, slovenski, vsebuje knjiga precej zanimivih informacij, ki so koristne tudi za slovenske organizacije. Vse to je razloženo v knjigi. ■ **Kako se može održati razgovor**
 Najbolje je imati u potpunosti jasne ciljeve razgovora. Razgovor treba biti usmjeren na određene ciljeve, a ne na općenite teme. Ciljevi razgovora trebaju biti jasni i konkretni. Razgovor treba biti usmjeren na određene ciljeve, a ne na općenite teme. Ciljevi razgovora trebaju biti jasni i konkretni.

→ How do we measure "Painful?"

Chapman's interest in agriculture and the importance of soil conservation in agriculture, a theme he has carried over to other fields. "I feel we have a lot to learn from agriculture in terms of soil conservation," he says. "The way we manage the land is a good example of how to manage the land."

Protein content was measured by the method of Lowry (1956).

the 1990s, the number of people who are employed in the service sector has increased significantly. This has led to a growing demand for services, which in turn has led to a growing demand for service workers. This has led to a growing demand for service workers, which in turn has led to a growing demand for service workers.

Yes, because the newly funded research has nothing to do with depression, all we need
